行程安排

Proposed Itinerary

DAY 01	HKG → BWN Bandar Seri Begawan is the capital of Brunei Darussalam. Brunei economy is heavily dependent on oil and gas industry. The historical landmarks in Brunei attract foreign tourists.		
	BFT: X	L: X	D: Local Restaurant
DAY 02	<u>BRUNEI CITY TOUR</u> After breakfast, we set off to the dazzling Jerudong Park and Garden - 20 minutes from downtown Bandar Seri Begawan. At the park, be marveled by the beauty of the largest man-made Crystal set at the centre of the amusement park. Next, Royal Regalia - built to commemorate the 1992 Silver Jubilee of His Majesty's ascension to the throne. It holds a collection of ceremonial regalia such as the royal chariot, gold and silver armory, and full documentation of the history of the Constitution of Brunei Darussalam. After lunch, visit to the world's largest residential palace in the world- Istana Nurul Iman and Jame Asr Mosque , the most magnificent mosque in Brunei today, with 29 shimmering golden domes.		
	Proceed to City Tour, you can ride on a boat "water taxis" to visit a local residence in the water village , and enjoy some tea & local cakes. After that enjoy yourself shopping at the Yayasan Shopping Complex , currently the largest shopping complex in Brunei, don't forget to bring your camera with u! You can see a great view of Omar Ali Saifuddien Mosque at the center of the shopping complex, surrounded by a man-made lagoon where the 16 th century royal barge reposes. It features resplendent marble and granite floors, stained glass and chandeliers from all over the world.		
Day 03	<u>FREE LEISURE OR OPTIONAL TOUR</u> Free leisure at hotel or go for optional tour -		
	OPTIONAL TOUR (SDG 85 / Pax (Min 2 pax)- 2hrs) 0900hr BRUNEI OIL FIELD & MOSQUE TOUR After breakfast, you will be brought to visit Seria -the oil town of Brunei Enroute Tutong scenic Town passing through crystal white sand & visit Forestry Museum . Oil was first drawn from Brunei soil at Seria in 1929. Active 'nodding donkey' oil wells are still a common sight in the vicinity, although Seria itself remains an oasis of relative peace after the bustle of Bandar. Next, visit to the Billionth Barrel Monument , built to commemorate the production of the billionth barrel of oil by Seria oilfield & visit Oil & Gas Discovery Center .		
Day 04	OPTIONAL TOUR (SDG 65 / Pax (Min 2 pax)- 2hrs) 0730hr / 1630hr Brunei Bay Extravaganza (Proboscis Monkey) The species that you can only see at Borneo Island!!Journey starts with river safari along Brunei River passing through green dense forest across the Brunei Bay & Mangrove swamp. At low tide when the sandbanks are exposed you'll see numerous multi colour fiddler crab as well as mudskippers of different sizes. White-bellied Sea Eagles & King Fishers are commonly seen. Proceed to the other island in search of Proboscis Monkeys with distinctive features with pendulous pink noses & potbellies.
