 <p>Temburong River</p>	<p>✧ From pickup at your Hotel, we depart to Temburong via the Sultan Omar Ali Saifuddien Bridge, which at 30km long is one of the longest bridges in Southeast Asia. After crossing the Brunei Bay, we stop to visit Bangar Town in Temburong. Short drive to Batang Duri, the setting off point for trips to National Park. Board a "Temuai" (Iban longboat) up the river with our escorted nature guide. The journey can take between 40 to 90 min depending on water level and rapids. The skillful Iban Helmsman and Bowman makes negotiating the rapids and shallow stony bottom look easy. A beautiful trip, the forest overhangs the winding course of the river from both sides.
